See paragraph at end re. The pre pathway meeting for parents of all 11 years old who have entered the County Championships/ age groups 2018 **4th February 2018 Bodmin Leisure Centre.**

Exciting opportunity for swimmers and Coaches .

Cornwall County ASA have agreed to join Swim Englands County Pathway in 2018 . The Performance Pathway has been developed in line with England Programmes Multi Year Training model which allows for the progressive development of athletes from learn to swim to senior performance within Cornwall County . The pathway integrates County, Regional and England Programme training camps and follows the England Programmes' Competition structure.

Within the pathway, the four existing training hubs provide a stepping stone for athletes with opportunities to train and develop alongside peers from outside of their home clubs..

The pathway aims to provide opportunities for the development of World Class athletes and **Coaches** across the county through collaborative working and the development of a strong support network.

First steps .CCASA HAVE APPOINTED THE FOLLOWING
