Eligibility rules

These eligibility rules may only be changed by a general meeting of the Association.

1. **ASA Laws & Regulations:** Competitions shall be open to competitors eligible according to ASA Laws and Regulations who meet the other conditions for eligibility set out below.
2. **Residence:** To be eligible swimmers must ordinarily reside in Cornwall or neighbouring Devon. (For the sake of clarification swimmers who spend term time outside the county for educational purposes but otherwise meet this residential condition are eligible. Likewise swimmers at educational institutions in Cornwall during term time are eligible.)
3. **Club membership:** To be eligible a swimmer must also be a member of a CCASA affiliated club and registered with the ASA as a member of a CCASA affiliated club for not less than 60 days immediately prior to the competition or the first day of a series of competitions. The swimmer must compete for one club only for the duration of the competition

or series of competitions, which must be the club in whose name he or she entered the competition or series of competitions. [Note: This means that a swimmer can change from one CCASA affiliated club to another during the 60 day period but not after the entry date.]

4. **Club membership:** To be eligible a swimmer must be a genuine active member of a CCASA affiliated club who commonly trains with that club under whose name he or she is entered into the competition and it is expected that their first county loyalty will be to Cornwall swimming. To achieve this it is stipulated that a competitor entering any CCASA Competition must perform the majority of his or her training with a club or clubs affiliated to the CCASA during the qualifying periods of residence in the County or neighbouring county as required by the residence rule (Rule 2) above.
5. **County loyalty:** No competitor competing for any other county in the same discipline in the same year may compete in competitions promoted by CCASA (except in an Inter County Competition or an Invitation Event promoted by CCASA).
6. **Members of H.M. Forces:** Members of H.M. Forces based in Cornwall who are registered in accordance with ASA Laws and Regulations may enter CCASA competitions without being a member of a CCASA affiliated club. Neither members of H.M. Forces based in Cornwall, nor their spouses or children, will be subject to the 60 day rule. However their spouses or children must be members of a CCASA affiliated club and adhere to the other eligibility rules.
7. **Protests & complaints:** Any protest or complaint regarding implementation of the rules may require clubs to provide supporting documentation or other evidence. Such protests or complaints will be dealt with in accordance with ASA laws.
8. **Extenuating circumstances:** Regardless of the above eligibility rules, in the interests of the sport in cases of extenuating circumstances, the CCASA officers shall decide whether a swimmer will be allowed to compete. Their decision will be final. Their decisions will relate to individual swimmers and will not set binding precedents, but may be taken into consideration in future decisions.

2018 CCASA Para Swimming Annex to Competition Rules

Additional rules and variations to CCASA competition rules for competitors with a disability that affects their swimming. Unless specifically stated here, the normal competition rules will apply.

CCASA encourages para swimmers to participate in its competitions.

1. **Entry times:** At least for 2018 these will not apply to Para swimmers. Times submitted for entry must have been attained in a licensed meet and a record held on ASA ranking. The swimmer's coach is expected to consider and decide on the basis of the swimmer's current abilities whether the County Championships, Intermediate Gala, or Development Gala is the most appropriate competition for the swimmer. Advice may be obtained from the CCASA Disabilities Representative.

2. **Awards :** Normal award rules apply EXCEPT where there is a single para swimmer entered into an age group event then rule 2a will apply .

2a If there is only one para swimmer entered in an age group event the swimmer must swim faster than the entry time submitted in order to attain an award.

The following additional information must be provided by the swimmer's club to the CCASA's designated recorder when sending in the club's entries:

2. **Classification:** If the swimmer has been classified, the classification must be notified and a copy provided. If the swimmer has a Certificate of Swimming Disability a copy must be provided.
3. **Stroke exemptions:** In the case of the County Age Groups and Championships and Intermediate Gala the exemptions must be exemptions recognised by the ASA and available from relevant documentation. In the case of the Development Gala it is sufficient for the information to be provided by an appropriately qualified medical person or the club coach.
4. **Poolside assistance:** If the swimmer requires assistance for moving around the poolside, starting (physical support or indication of the starting signal for the audio impaired), turns (a tapper for visually impaired), or anything else, this must be notified in advance.
5. **Wheelchairs:** While spectating on poolside, swimmers in wheelchairs must be placed in such a position where their chairs do not hinder the movement of other swimmers and officials along the poolside.

Qualifying times statement - ESTABLISHING COUNTY ENTRY TIMES 2018

In order to avoid the need for consideration times for 2018 Counties all 2018 events are based on times achieved in the age groups 2017.

2018 entry times are set at the SLOWEST achieved time for that 'age group' event in 2017.

This will mean that all that swam in an age group championship event in 2017 will be able to swim in the same event 'age up' 2018.

It also gives 12 months leeway for swimmers who would fall into the consideration bracket to reach the 2018 County QT times.
