Hi I am Rio from Jolyn UK.

I wanted to ask if it is possible to set up a booth / be a vendor at your upcoming swim meet. As you know JOLYN is very popular female brand and offers good quality suits and active wear. I think it would be a great chance to raise the level of the competition by allowing us to be a part of it.

What is in it for you? We generally sponsor one event or can pay for the stall. It is up to you to decide.

I really hope we can make it work. Please let me know if you need any other information.

I have read the **minutes** from the first Network meetings and was surprised that there were no specific proposed network actions by the clubs of what they might/plan to do before the next meeting apart from working and helping towards SwimMark

The club updates are great & what I wanted to return to at CCASA meetings. Need to make sure everything is communicated properly but being careful to avoid duplication/redundancy.e.g. not duplicate what already covered at Swim Committee or Management Board

| 15: | Trophies – SL |
|-----|---------------|

Simon has suggested a rule change mainly due to difficulty in retrieving trophies when swimmer has left club – also often not cleaned and sometimes broken

Also as no longer an Autumn meet need to organise return.

When a swimmer leaves/ transfers from a club , that club should identify ask whether they have previously won trophies or maybe know contact details for the swimmer. It does seem I am coming across this more often, some clubs are helpful but some just seem to slope the chase of trophies onto the club that individual has joined.

**To be presented to Management Board Feb 4th**

**Club constitutions – the following has been circulated**

Dear Club Chairs & Secretaries If you are planning to amend your club constitution please would you initially contact Philip Gordon (philip@philipgordon.org) before putting to a club AGM or EGM. Then if Philip raises any issues, these can be resolved before your new constitution is put to a club general meeting. It is **essential** that your constitution conforms to Swim England requirements. You will find access to key documents including a model constitution and guidance notes here: <https://www.swimming.org/swimengland/becoming-a-members-club/>
