

CCASA IMPORTANT Meeting with GLL Tues 28 May

Dear Clubs (Chairs, Secretaries, Treasurers. Head coaches) & CCASA personnel

The meeting with GLL has now been arranged and all clubs are invited, to hear what both GLL and Swim England have to say on the subject of Pool Hire Fees, the meeting will take place at the Victoria Inn, Roche, at 6.30pm on the Tuesday 28th May.

All clubs, especially those who have contracts with GLL are encouraged to attend, as this will your opportunity to hear the views of GLL, as we have the Head of Service for Wales and West attending, who is at the management level making the decision on the level of pool hire costs. It will be also an excellent forum to put the view and concerns of your club to GLL. In attendance from Swim England, will be Stephanie Gadd, the SESW Club Development Officer, and also the SE Club Development Director Jon Keating will also be in attendance, so in addition to hearing from GLL, will also be able to hear how SE will be able to support the Cornish Clubs.

CCASA would also like to remind clubs, that we would encourage them to have a meeting with their local GLL manager prior to the meeting on the 28th.

I look forward to seeing you then.
