

**Swimming Committee Meeting 29th Sept feedback for Management Board 20<sup>th</sup> Oct 2020**  
**Item 8: MB agenda**

**SC appointments:**

Unanimously agreed that Cathy Ralph take over from Chris Elliott as our para/disabilities advisor and the Counties rep of the Regional Para Committee.

Still looking for a Swimming Committee Secretary & Trophy controller – clubs asked to go back to their membership to enlist volunteers.

If we restart county networks it would be without regional support so we would have to do all administration ourselves –volunteers would be needed.

See AGM (Aug 11) documents for recent reports from sections.

Clubs are reporting problems re. acquiring appropriate affordable pool time

SE and Region concerned re. Cornwall situation re. pools reopening - Nationally around 75% of pools have opened with 68% of clubs now operating, most have reduced water time, but increasing pool hire is not part of the national picture, most Leisure Centre providers have been given support in the form of a grant to assist them in the increased operating and opening costs. This currently is not the case in Cornwall. GLL and Cornwall Council are currently in negotiation about support. GLL would like this support if it forthcoming to be in the form of a grant rather than a loan

TR1 now have a new committee and back in operation.

**Note for MB meeting:** CCASA still need volunteers for overall webmaster (including social media) to ensure consistency – thanks to Mark Exell for helping us and CCASA Secretary. (Support given for handovers).
