

Welcome to Nails Level 2

We are looking forward to you joining us in the autumn. You may have studied this subject already or this might be completely new to you. Whatever your starting point, we are ready to support you with your learning.

You will find a range of resources below to help you prepare for your course. Keep notes about what you have found out or learnt to support your learning later on.

Read

Looking into ways to help you along your journey as a nail Tech? Here are some good things to look at before you start,

How to be and look professional in the salon

- Hair should be tied back neatly away from the face
- A clean short sleeved uniform should be worn during treatments
- All jewellery should be removed while treating a client
- Personal hygiene standards should be kept to the professional level
- Professional presentation at all times

Salon Hygiene

Get Involved

Pinterest is a great way to look for some simple nail art, it also gives you a way to save them to boards and keep for future reference.

Here is a link to a page which you may find helpful to start with.
